Conditions of sales covering Pecan trees

We give customers our assurances that every possible care is taken to ensure that our trees are true to name and label, and we use all reasonable care to forward sound, healthy trees, true to description, but we give no guarantee, express or implied, in this regard.

Should any of our trees supplied prove not to be in accordance with name or label, we will only accept liability to the extent of refunding the purchase price, or replacement of the trees in error, and will not accept any liability for any loss or damage, direct or indirect, arising from any other cause, further we give no guarantee regarding growth or productiveness.

We guarantee to despatch trees in good conditions and suitably packed, but we accept no liability for loss or damage, which may be due to delay in delivery or negligence of carriers after the trees have been handed to them, as they are then beyond our control

In the event of trees booked for delivery, not being available for delivery at the stipulated time due to the failure to grow to standard size owing to climatic factors, or loss through hailstorms, locusts or any other cause; or if delivery is not practicable or possible for any reason whatsoever, we cannot accept responsibility for any loss or damage caused thereby.

Where trees are collected the risk of the goods will pass to the purchaser, on despatch thereof to the carrier who will act as agent of the purchaser.

All prices are subject to alterations without notice. Terms are strictly cash prior to despatch. In case of any problems concerning payments, the purchaser will be liable for Attorney and client fees, as well as other Legal costs. Interest will be charged at the rate of prime +2% on all outstanding amounts.

Orders are only accepted subject to these conditions.
See separate note regarding the use of a courier company as carrier.
